

In Case of Emergency

There is a first aid kit in the cupboard in the utility room.

Electricity: Emergency number 0800 6783 105

The consumer unit is above the back door in the hallway. In case of power failure, there is a wind-up torch in the utility room cupboard.

Gas: FloGas (the LPG supplier) Emergency Number: 0345 720 0100.

Turn off the LPG supply at the tap at the back of the house underneath the bedroom windows. Extinguish all possible sources of emission, inside and outside. Increase ventilation if leak is indoors.

Water:

Turn off the water at the main stop cock. This is in bedroom 2 (front right as you enter the front door). Slide back the panel in the front corner of the bedroom under the window by the bed to access the stop cock.
